Call for Papers

Insight: Journal of Applied Research in Education

The Department of Education, University of Kashmir, invites original and unpublished research papers for Insight: Journal of Applied Research in Education, an annual peerreviewed journal dedicated to advancing scholarly work in the field of education.

We welcome submissions from academicians, researchers, teacher educators, and practitioners on a broad range of themes related to education, including:

- Educational theory and practice
- Pedagogical innovations and instructional strategies
- Teacher education and professional development
- Educational policy and planning
- Inclusive and equitable education
- Technology integration in education
- Curriculum design and assessment
- Educational Philosophy
- Educational Psychology

Guidelines for Submission:

- The paper must be original, unpublished, and not under consideration elsewhere.
- Manuscripts should be written in English and follow APA (7th edition) style.
- The length of the paper should not exceed 5000 words, including references.
- An abstract of 150–200 words and 4–6 keywords must be included.
- The manuscript should include the author's name, designation, institutional affiliation, and contact details on a separate cover page.
- To ensure authenticity and originality, the manuscripts should be submitted along with the plagiarism report and an AI-generated content detection report.

Submission Deadline: 10th August 2026

Email submissions to: ijareku@gmail.com
kounsar@uok.edu.in

All submissions will undergo a peer-review process. Selected papers will be published in the forthcoming issue of **Insight: Journal of Applied Research in Education**.
